

## Early Journal Content on JSTOR, Free to Anyone in the World

This article is one of nearly 500,000 scholarly works digitized and made freely available to everyone in the world by JSTOR.

Known as the Early Journal Content, this set of works include research articles, news, letters, and other writings published in more than 200 of the oldest leading academic journals. The works date from the mid-seventeenth to the early twentieth centuries.

We encourage people to read and share the Early Journal Content openly and to tell others that this resource exists. People may post this content online or redistribute in any way for non-commercial purposes.

Read more about Early Journal Content at <http://about.jstor.org/participate-jstor/individuals/early-journal-content>.

JSTOR is a digital library of academic journals, books, and primary source objects. JSTOR helps people discover, use, and build upon a wide range of content through a powerful research and teaching platform, and preserves this content for future generations. JSTOR is part of ITHAKA, a not-for-profit organization that also includes Ithaka S+R and Portico. For more information about JSTOR, please contact [support@jstor.org](mailto:support@jstor.org).

# PREVALENCE OF DISEASE.

*No health department, State or local, can effectively prevent or control disease without knowledge of when, where, and under what conditions cases are occurring.*

## IN CERTAIN STATES AND CITIES.

### RECIPROCAL NOTIFICATION.

#### Minnesota.

*Cases of communicable diseases referred during September, 1914, to other State or Provincial health departments by the Division of Preventable Diseases of the Minnesota State Board of Health.*

Disease and locality of notification.	Referred to health authority of—	Why referred.
<b>Tuberculosis:</b>		
Pokegama, Pine County....	Chicago, Cook County, Ill.....	Returned to Chicago from Pokegama Sanatorium.
Do.....	Superior, Douglas County Wis.	Returned to Superior from Pokegama Sanatorium.
<b>Typhoid fever:</b>		
Dassel, Meeker County.....	Saskatchewan, Canada.....	Taken ill while thrashing at Clay Bank, Sask.
Morgan, Redwood County..	Morrison, Whiteside County, Ill.	Probably infected at Morrison, Ill.
Minneapolis, Hennepin County.	Marquette, Marquette County, Mich.	Carpenter at Marquette during three weeks previous to earliest symptoms.
Do.....	Versailles, Morgan County, Mo.	Resident in Versailles three weeks previous to earliest symptoms.
Mankato, Blue Earth County.	Cartersville, Jasper County, Mo.	Fruit dealer at Cartersville during three weeks previous to earliest symptoms.
Minneapolis, Hennepin County.	Malta, Valley County, Mont...	Farming near Malta during three weeks previous to earliest symptoms.
Do.....	Marmon, Williams County, N. Dak.	On farm at Marmon, during three weeks previous to earliest symptoms.
Do.....	Jamestown, Stutsman County, N. Dak.	Taken ill nine days after leaving Jamestown.
